# Themes of this week !!

***Welcome Monday*** – allows participants to network and break the ice.

***Career Tuesday*** – focuses on how to find a career beyond academia.

***Money Wednesday*** – exposure to various funding opportunities, how to write proposals & manuscripts, how to give a talk.

***Working Thursday*** – building leadership qualities by engaging with Chairs of working groups in EPEC Committee, how to involve everybody, how to tell your science story.

***For-Tomorrow Friday*** – Allows participants to share feedback, suggestions, and plan for the future with EPEC Working Groups.
