

**For all correspondence concerning the submission of your application, please send an email to: Europlanet-Call@esf.org**

*If you have already applied to a previous Europlanet TA Call using this platform, please directly go to point 3.*

## 1. Registration

You will be able to register on the submission platform using the following link:

[https://esf.smartsimple.ie/s\\_signup.jsp?token=XVtQC1oGYV5ZSxtZXxJXR1JWYUI1GXVv](https://esf.smartsimple.ie/s_signup.jsp?token=XVtQC1oGYV5ZSxtZXxJXR1JWYUI1GXVv)

Then, please fill in your Contact Information details. Required fields are marked with an asterisk “\*”.

If you already are a platform user with the same email address, your profile will be updated to allow you to apply to the call.

The screenshot shows a web form titled "Platform Registration" with a green header. Below the header is a "Contact Information" section. It includes an "Instructions" box stating "Required fields are marked with an asterisk '\*'". A note says "If you have already logged on to our platform in the past with the same email address, your profile will be updated." The form contains several fields: "Title" (dropdown), "First Name" (text), "Surname" (text), "Email" (text), and "Country" (dropdown with "-- Select One --"). A green "Submit" button is at the bottom, with a red arrow pointing to it.

Once everything is completed, click on “Submit”. Then, click on “Login here”.

**(!) Make sure that the email address you indicated is correct.**

It will redirect you to the ESF Smart-simple Platform.

[https://esf.smartsimple.ie/s\\_Login.jsp](https://esf.smartsimple.ie/s_Login.jsp)

After a short while, you should receive a confirmation email, “Platform Registration confirmation”, from [esf-panels@esf.org](mailto:esf-panels@esf.org) (please do not use this email address for any other communications).

If you have not received it in your inbox, **please check your spam folder.**

In this email, you will find your login (the email address you have indicated on the Registration Form) and a temporary password to connect to the platform.

## 2. Log in to the Platform

Once you have completed your first login (using the information provided in the email), you will have to choose a new password.

This is strictly personal and ESF will not have access to it.

(!) Make sure to remember your password.

The screenshot shows the 'Change Password' form. It includes three input fields: 'Current Password', 'New Password', and 'Confirm New Password'. Below these fields is a password policy note: 'Policy: Password must be a minimum of 6 characters'. At the bottom of the form are two buttons: 'Submit' and 'Cancel'.

You will then have access to the portal, from which you will have access to your **profile** and your **application**.

First, you will need to complete your **profile**.

(!) If your profile is not completed, you will not be able to submit your proposal.

To complete your profile, click on the button “Click Here” on the “Welcome to your portal” section.

The screenshot shows the user's dashboard in the Science Connect portal. The user is identified as 'TestMarlette TestVandermersch'. The dashboard includes a 'Welcome to your portal, TestMarlette' section with a 'Click Here' button circled in red. Below this is the 'External Open Calls' section, which contains a table of available calls. At the bottom is the 'My Applications' section, which currently shows 'No Results Found'.

Type	Call Name	Action

Notes

This platform will enable you to register and submit the details of your application. The data collected are necessary to process applications. Mandatory data fields are marked in red.

Please note that by submitting an application you explicitly accept that your personal details and project details are communicated to the following different parties (who may be located in any country in the world) depending on their role in the process described above:

- authorised ESF staff, scientific community (panel members);

In order to follow the progress of your application, your prospective host institution will have access to the ensuing information: name, first name, the outcome of the selection process and feedback from the expert panel.

Further information on the collection, registration and dissemination of data is available at <http://www.esf.org/data-protection>

I have read the above, understood these requirements and acknowledge that my data has been passed on to ESF, and explicitly accept all of this.

**CONTACT INFORMATION**

If you cannot make changes to your profile and wish to do so, please contact ESF.

#### 4. Submit a second Application

In the Frame of the Europlanet RI 2024 TA Call, **you can only submit one application per TA category**:

- TA1: Planetary Field Analogues
- TA2: Distributed Planetary Laboratory Facility

Once you will have submitted your first application, you will be able to apply again by clicking on “Apply”.

Once the second application will be submitted, you will see both on your profile, in the section “My Applications”.

The screenshot displays two sections of a web interface. The top section, 'External Open Calls', shows a table with one row: 'Europlanet Programme' with 'Call Name' 'Europlanet 2024 RI - TA call 2'. A message below the table states: 'You have already created at least two applications for this call.' The bottom section, 'My Applications', shows a table with two rows of submitted applications.
